Richmond beat Portsmouth yesterday by the score of 5 to 4 in one of the best played games here this season. "Colonel" Billi was in the box for the Lawmakers, and he allowed seven hits, two of which, however, should not have counted against him, for both men should have been out in the seventh inning without a run.

"Cornelius, the crack twirler for Portsmouth, was found six times, and Hicks, who has changed with Cuddy, and is covering short, got three of the swats. Shaffer hit at an opportune time and when things looked bad for the Lawmakers, the necessary three runs to place them in the lead came across.

makers, the necessary three runs to have them in the lead came across.

About twenty-five hundred people witnessed the game and there was not a one that didn't get his money's worth. From the very beginning the game was fast and furious, every inch being contested flercely by both teams.

#### Foster Kicks All the Time.

"Reddy" Foster, released by Rich-iond and signed by Portsmouth, did il of the kicking for his team. And his all of the kicking for his team. And all language once o riwlee was not of the choicest kind. "Reddy" wants to wake up to the fact that the Richmond people don't tolerate such conduct. He's is in the wrong berth and should be playing with a crowd of young kickers on

is in the wrong berth and should be playing with a crowd of young kickers on some back lot.

But the game yesterday abounded in plays that brought the grandstand up. The Lawmakers had three doubles that were fast and saved runs by the visitors. Cuddy's playing at second was fast. He covered a lot of ground and figured in all of the doubles, settling the first one to Shaffer unassisted.

Hicks played well at shortstop, and, although he had one error, it was an excusable one. A line drive to him got out of his mit, but nothing happened in the run line in this inning, so it doesn't cut any figure. With the stick he did excellent work, and two of the runs can be chalked down to his ability to connect safely. When two men were out in the seventh inning he pasted one to left and following this, Charlie Shaffer struck one to center. Three men had to put their feet on the home plate.

The Lawmakers sent Humilton across the plate in the second inning. Sharp and Shaffer had croaked when Hamilton got transportation. He went to third on Hinton's drive and scored on an error.

Bose walked in the opening of the

ror.

Rose walked in the opening of the third inning and Cuddy sacrificed him down all right. Hicks binged a single that sent Rose to third. Then Rowe started up to second and drew the throw from Posler. Rose came home with the second run. Shaffer singled but Sharp forced Hicks at third. Titman struck at the first three and missed all of them. Cornelius was throwing an underhand ball that puzzled all of them.

The Lucky Seventh.

ball that puzzled all of them.

The Lucky Seventh.

The Portsmouth hunch scored first in the sixth inning, forcing Fischmen over the plate. He walked and Cornelius sacrificed. Reynolds went out from Hicks to Shafter and Conroy singled enough to put Cornelius on third, Morgan sent one to center and the first run came over. Sharp didn't field the ball clean and let Morgan go to second. But this was all on the run-making for that inning.

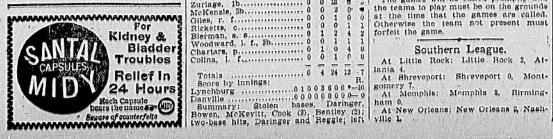

was all on the run-making for that inning.

The Truckers were at bat first in the
seventh inning, and the Richmond fans
got a cold bath that sent them to shivering. McDonough was the first man up and
lifted a high one that Hamilton at third
got under. Tommy let it drop and the
very next ball over was smacked to free
country. Foster sent one out to right
that either Cuddy or Titman could have
gotten, yet neither handled it. O'Brien
sacrificed the runners a base each, and
Fischmen walked, filling all the sacks.
Cornelius, the twirler, hit one just over
the first sack for two sacks and two
men scored. Reynolds fanned, making
two out.

two out.

Hinton whipped the bail down to Hamilton at third to catch Fischmen off. The runner was caught all right, but between the bases dodged around and thally scored. It was a bad pieco of work, yet it didn't hurt, for the Lawmakers gut busy in their half of the lucky seventh. get it di get busy seventh.

Exciting Finish. With the score standing four to two against the home boys Hinton went to bat and was out from third to first. Still received transportation and Rose flew out to center. Cuddy walked and Hicks biffed one that sent him to second and brought Still over the plate. Shaffer hit a line drive to center that scored both Cuddy and Hicks and made the score

A fast double by Hicks, Cuddy and Shaffer in the last inning put a stop to the hopes of the Portsmouth fans.

For the visitors the stellar work was done by Fischmen at short and Conroy in left garden. The latter received two balls out there that could only be gotten by fast running. Fischmen got everything in his territory, playing and exceptionally good game.

Hicks was the star for Richmond with the willow and Cuddy's playing at second was good.

Hamilton played a nice game at third, but didn't count much with the stick. Tormy has a habit of pulling back from the plate instead of meeting the ball fairly.

But the game yesterday will stand out as one of the best here and not a soul who saw it has a kick coming. The official score is as follows:

LYNCHBURG, VA., May 18.—Two of the visitors reached second in the game this afternoon here between the Lynchburg and Danville teams, in a game characterized by heavy hitting. The locals winning out by the score of 10 to 0.

Charters, who was released on Monday by Lynchburg, was in the box, for the visitors and he would have pitched a good game if he had been supported. He retired in the sixth at his request and Reggie finished the game. Sharp fielding on the part of the Shoomakers kept the Danville hits scare, and seven yellow errors contributed to the high score of the home team. The attendance was 800.

Throckmorton Proves Himself to Be Long Distance Jumper. Miss Chewning Sponsor.

The field day held at Richmond College yesterday was one of remarkable interest and enthusiasm. The boys, who all showed evidences of careful and ex-tensive training, made good records, and in several instances the records of last year were broken by the young athletes. Early in the morning the grounds were thronged with visitors, and the tem-porary grandstand was completely filled with 'calico,'' its fair denizens seeming to take as much interest in the events as the contestants themselves. Many of the faculty were present, besides many as the contestants themselves. Many of the faculty were present, besides many of the college's alumni. In the center of the bleacher, in a portion particularly set of for them, sat Miss Ruby Chewning, the sponsor of the occasion, and her radios of honor, Misses Edith Watkins and Elizabeth Harrison.

The feature of the day was the new record made in the running bread jump.
